Waterproof

Suitable for indoor use in both dry and humid environments - perfect for bathrooms, kitchens, utility rooms, and vestibules.

Effortless Installation

Designed for ease of handling and fitting. Can be cut, shaped, drilled, and installed over various substrates including ceramic tiles, plaster, concrete, plywood and OSB.

Extraordinary Format

2.800 x 1.230 x 4 mm

Large, slim panels cover full wall heights in most homes.

Scratch & Stain Resistant

A robust top layer protects against fine scratches and everyday wear. Resistant to common household stains - coffee, tea, cleaning agents, and personal care products.

SENSOTOUCH

Synchronized To Perfection

Realistic marble, stone or wood textures are created through advanced digital printing and tactile finishing. Every detail is precisely reproduced, with the surface structure perfectly aligned to the printed design - deeper for brushed wood, smoother for marble, or finely detailed for travertine.

Soft Touch Surface

Warm and pleasant to the touch, offering comfort and elegance.

Dimensional Stability

Unaffected by changes in temperature or humidity - suitable for sunny interiors and damp areas alike.

Marble

Collection

**Beauty shaped within
the earth, durability
for modern living.**
